Realtor incentives and benefits of the Producers Club are available only to licensed Realtor® who sell a new home from approved builders in Bridgeland or The Woodlands. Per the Texas Brokerage Act, all Realtor recipients will be required to fill out a W9 for tax purposes prior to receiving any incentives. Homes within Bridgeland are constructed and sold by builders not affiliated with The Howard Hughes Corporation (HHC) or any of its affiliated companies or partnerships. Neither HHC nor any of its affiliated companies or partnerships guarantees or warrants the obligations of, or construction by, such builders. Prices and specifications subject to change.

The Woodlands: For our custom homes and estates that our built to exact customer specifications by custom home builders, the Producers does not apply. For custom home builders, who build specs too and merchandise like a production builder (like Gracepoint Homes, Frankel Building) they do count.
